Record the result and confirm the safe operating condition.

Paragraph 2: Inspect the equipment before use. Café, naïve façade, Ελληνικά, résumé. Record the result and confirm the safe operating condition. Paragraph 2: Inspect the equipment before use. Café, naïve façade, Ελληνικά, résumé. Record the result and confirm the safe operating condition. Paragraph 2: Inspect the equipment before use. Café, naïve façade, Ελληνικά, résumé. Record the result and confirm the safe operating condition. Paragraph 2: Inspect the equipment before use. Café, naïve façade, Ελληνικά, résumé. Record the result and confirm the safe operating condition.

Paragraph 3: Inspect the equipment before use. Café, naïve façade, Ελληνικά, résumé. Record the result and confirm the safe operating condition. Paragraph 3: Inspect the equipment before use. Café, naïve façade, Ελληνικά, résumé. Record the result and confirm the safe operating condition. Paragraph 3: Inspect the equipment before use. Café, naïve façade, Ελληνικά, résumé. Record the result and confirm the safe operating condition. Paragraph 3: Inspect the equipment before use. Café, naïve façade, Ελληνικά, résumé. Record the result and confirm the safe operating condition.

Paragraph 4: Inspect the equipment before use. Café, naïve façade, Ελληνικά, résumé. Record the result and confirm the safe operating condition. Paragraph 4: Inspect the equipment before use. Café, naïve façade, Ελληνικά, résumé. Record the result and confirm the safe operating condition. Paragraph 4: Inspect the equipment before use. Café, naïve façade, Ελληνικά, résumé. Record the result and confirm the safe operating condition. Paragraph 4: Inspect the equipment before use. Café, naïve façade, Ελληνικά, résumé. Record the result and confirm the safe operating condition.

Paragraph 5: Inspect the equipment before use. Café, naïve façade, Ελληνικά, résumé. Record the result and confirm the safe operating condition. Paragraph 5: Inspect the equipment before use. Café, naïve façade, Ελληνικά, résumé. Record the result and confirm the safe operating condition. Paragraph 5: Inspect the equipment before use. Café, naïve façade, Ελληνικά, résumé. Record the result and confirm the safe operating condition. Paragraph 5: Inspect the equipment before use. Café, naïve façade, Ελληνικά, résumé. Record the result and confirm the safe operating condition.

Paragraph 5: Inspect the equipment before use. Café, naïve façade, Ελληνικά, résumé. Record the result and confirm the safe operating condition.

Paragraph 6: Inspect the equipment before use. Café, naïve façade, Ελληνικά, résumé. Record the result and confirm the safe operating condition. Paragraph 6: Inspect the equipment before use. Café, naïve façade, Ελληνικά, résumé. Record the result and confirm the safe operating condition. Paragraph 6: Inspect the equipment before use. Café, naïve façade, Ελληνικά, résumé. Record the result and confirm the safe operating condition. Paragraph 6: Inspect the equipment before use. Café, naïve façade, Ελληνικά, résumé. Record the result and confirm the safe operating condition.

Paragraph 7: Inspect the equipment before use. Café, naïve façade, Ελληνικά, résumé. Record the result and confirm the safe operating condition. Paragraph 7: Inspect the equipment before use. Café, naïve façade, Ελληνικά, résumé. Record the result and confirm the safe operating condition. Paragraph 7: Inspect the equipment before use. Café, naïve façade, Ελληνικά, résumé. Record the result and confirm the safe operating condition. Paragraph 7: Inspect the equipment before use. Café, naïve façade, Ελληνικά, résumé. Record the result and confirm the safe operating condition.

Paragraph 8: Inspect the equipment before use. Café, naïve façade, Ελληνικά, résumé. Record the result and confirm the safe operating condition. Paragraph 8: Inspect the equipment before use. Café, naïve façade, Ελληνικά, résumé. Record the result and confirm the safe operating condition. Paragraph 8: Inspect the equipment before use. Café, naïve façade, Ελληνικά, résumé. Record the result and confirm the safe operating condition. Paragraph 8: Inspect the equipment before use. Café, naïve façade, Ελληνικά, résumé. Record the result and confirm the safe operating condition.

Paragraph 9: Inspect the equipment before use. Café, naïve façade, Ελληνικά, résumé. Record the result and confirm the safe operating condition. Paragraph 9: Inspect the equipment before use. Café, naïve façade, Ελληνικά, résumé. Record the result and confirm the safe operating condition. Paragraph 9: Inspect the equipment before use. Café, naïve façade, Ελληνικά, résumé. Record the result and confirm the safe operating condition. Paragraph 9: Inspect the equipment before use. Café, naïve façade, Ελληνικά, résumé. Record the result and confirm the safe operating condition.

Paragraph 10: Inspect the equipment before use. Café, naïve façade, Ελληνικά, résumé. Record the result and confirm the safe operating condition. Paragraph 10: Inspect the equipment before use. Café, naïve façade, Ελληνικά, résumé. Record the result and confirm the safe operating condition. Paragraph 10: Inspect the equipment before use. Café, naïve façade, Ελληνικά, résumé. Record the result and confirm the safe operating condition. Paragraph 10: Inspect the equipment before use. Café, naïve façade, Ελληνικά, résumé. Record the result and confirm the safe operating condition.

Paragraph 11: Inspect the equipment before use. Café, naïve façade, Ελληνικά, résumé. Record the result and confirm the safe operating condition. Paragraph 11: Inspect the

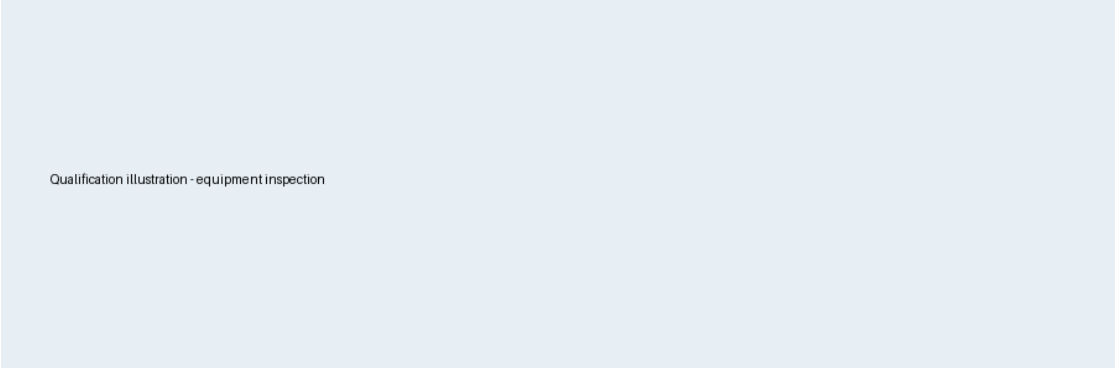

equipment before use. Café, naïve façade, Ελληνικά, résumé. Record the result and confirm the safe operating condition. Paragraph 11: Inspect the equipment before use. Café, naïve façade, Ελληνικά, résumé. Record the result and confirm the safe operating condition. Paragraph 11: Inspect the equipment before use. Café, naïve façade, Ελληνικά, résumé. Record the result and confirm the safe operating condition.

Paragraph 12: Inspect the equipment before use. Café, naïve façade, Ελληνικά, résumé. Record the result and confirm the safe operating condition. Paragraph 12: Inspect the equipment before use. Café, naïve façade, Ελληνικά, résumé. Record the result and confirm the safe operating condition. Paragraph 12: Inspect the equipment before use. Café, naïve façade, Ελληνικά, résumé. Record the result and confirm the safe operating condition. Paragraph 12: Inspect the equipment before use. Café, naïve façade, Ελληνικά, résumé. Record the result and confirm the safe operating condition.
